Victoria, British Columbia

2026 SWIFTSURE INTERNATIONAL YACHT RACE **AMENDMENT #1** **to the** **SAILING INSTRUCTIONS for the Long Courses**

Swiftsure is using the Yellow Brick Tracker this year, and while we are confident it can replace many functionalities, we still require some redundancy for accurate scoring until we fully transition.

Rounding times will need to be provided to the Race Committee via text.

The following is **ADDED** under PROCEDURES for ROUNDING MARKS:

SI 8.4 All boats shall text their rounding times to the Swiftsure Mobile Phone at 250 715-6251 as soon as reasonably possible after rounding their respective turning mark.
